

CART DIMENSION: HANDLE POSITION

HORIZONTAL HANDLES

The height of the handles may vary. For a horizontal handle, the heights range is from 36" to 44". For the best grip, the handle must be at least 20" long.

VERTICAL HANDLES

Vertical handles are generally positioned between 36" and 51" in height. To avoid excessive loads on the shoulders, the distance between the handles should not exceed 18".
